DESCRIPTION

Millhaven is a spectacular bright and spacious 4 bedroom bungalow, enhanced with vibrant colours and interior design reflecting the coastal location. On entering Millhaven you are met with a well-lit hallway and double doors opening to the hub of this home, where four rooms combine seamlessly to form one large space for relaxing, entertaining, cooking and dining. The snug, dining area and sitting room comprise wall to wall windows, framing the views and French doors open to the elevated patio from the dining area. The kitchen has an electric Rangemaster cooker and an integrated Bloomberg dishwasher & fridge/freezer. The adjacent utility room, which opens to the garden behind, includes: a Zanussi tumble dryer, Bosch washing machine, Grant central heating boiler and stainless-steel sink.

The snug is a flexible space, currently an additional place to relax, but this could also be utilised as an office or playroom, depending on the needs and requirements of the new owners. A solid wooden floor extends the full length of the kitchen/dining and sitting room with a double sided wood burning stove, set on a granite hearth, between the dining and sitting room provides both additional heat when required and a focal point for the space.

All four bedrooms are accessed from the hall, the triple aspect stunning master bedroom is flooded with natural light and has both a walk-in wardrobe providing essential storage space and an en-suite shower room. The master bedroom and bedrooms 2 and 3 all overlook the garden and farmland behind and have fitted wardrobes, bedroom 4 is currently a study and craft room, a room with a sizeable fitted wardrobe and sea views. The bathroom adjacent embraces the beach theme and benefits from both a bath and walk-in shower.

Millhaven has a wealth of storage space including a cloakroom cupboard in the entrance vestibule, ideal for outdoor clothes and sandy shoes after walks along the beach and a walk-in cupboard at the end of the hall.

Millhaven is south facing and there is the potential to site solar panels on the roof, with the relevant consents and permissions. The solar gain from the front facing windows, especially the triple glazed sitting room windows, provides a natural even warmth throughout Millhaven.
