### SITUATION

Naast is a scattered crofting township situated on the west shore of the sheltered sea loch, Loch Ewe. The property is in a beautiful setting with far reaching views over the water and the mountains beyond. Local amenities can be found in the village of Poolewe, set on the sheltered south side of Loch Ewe and with views across the bay, which include a general store with Post Office and two hotels, while nearby Gairloch has a wider range of shops and amenities as well as schooling up to secondary level. Inverness, about 1.5 hours' drive away, has all the facilities of a modern city including its airport with regular flights to the south and Europe. The west coast of Scotland is known for its mild climate and stunning coastline with sheltered sandy beaches and island views. The coast is famous for its sailing, while inland mountains and moorlands offer spectacular scenery, hill walking, climbing and trout fishing on the hill lochs.

### DESCRIPTION

The property comprises a detached decrofted family house and garden ground and the tenancy of the adjoining croft. The decrofted dwelling has been in the ownership of the same family since it was built in around 1975 and has comfortable accommodation spread over two floors. The heart of the house is the sitting room/dining room from which views can be enjoyed over the croftland to Loch Ewe and beyond. The property which has been well maintained could benefit from a degree of modernisation but improvements made by the current owners include the renewal of the roof in 2012, and in 2023 the upgrading of the electrics, the installation of a new oil fired boiler and the replacement of the oil tank. The sale includes the assignation of the tenancy of the adjoining registered croft, Reg No: c944, <https://www.crofts.ros.gov.uk/register/viewcroft?ID=C944>. The croft includes a two bedroom detached cottage, which requires complete renovation but has the potential to be utilised as ancillary accommodation to the main property or as holiday accommodation subject to licensing. The accommodation within the cottage could consist of a hall, two reception rooms, a kitchen, bathroom and two first floor bedrooms. The purchasers of the croft tenancy will have to satisfy the Crofting Commission as to their suitability as tenants. Further information is available from the Crofting Commission <https://www.crofting.scotland.gov.uk/>

### ACCOMMODATION

First Floor - Landing. Shower Room. Two Bedrooms.

### GARDEN GROUNDS

The picturesque croftland, partially bounded by post and wire fencing is approximately 5.28 acres in extent and comprises some rough grazing and a beautiful area of mixed woodland which is traversed by a burn with two footbridges and with mown paths creating a lovely circular walk. A second burn runs along part of the northern boundary and has a waterfall. A deer fenced orchard has been planted with a number of apple and pear trees. The croft in the main has been managed in order to encourage wildlife, with deer, otters, pine martins, seals and a variety of birds of prey regularly spotted. The croft runs in part to the mean high water springs of Loch Ewe and has direct access to the shore where a WW2 jetty, which lies out with the curtilage, projects from the coastline into the sea, an ideal launching platform for small vessels, paddleboards and kayaks. The decrofted garden grounds extends to approximately 0.6 acres, is unbounded, with the garden adjacent to the property being laid to lawn partially screened by mature trees and shrubs. An area of the woodlands through which the burns flows also lies within the decrofted area.
