### SITUATION

Strachan is situated just one mile south of Scotland's smallest Royal Burgh New Galloway. New Galloway has two hotels, a community shop, Glenkens medical practice, as well as a popular 9 Hole Golf course. The village also boasts the Catstrand visitor centre with café, exhibition space, shop and 90 seater theatre where events run all year round. Kells Primary School is situated in New Galloway and buses provided to Secondary school in St Johns Town of Dalry and Castle Douglas.

The nearby market town of Castle Douglas has a good range of shops, supermarkets, and other services, and is designated Dumfries and Galloway Food Town. The regional capital of Dumfries, about 25 miles distant, offers a wider range of shops, retail outlets and services including the Dumfries and Galloway Royal Infirmary and the Crichton Campus providing further education courses.

Communications to the area are very good, with a daily bus service from New Galloway and railway stations in both Dumfries and Lockerbie. The M74 motorway is about 50 miles distant allowing easy access north and south. Regular flights to parts of the UK and Ireland as well as continental Europe depart from Prestwick Airport, which is 41 miles to the north. Both Glasgow and Edinburgh with their international airports are 77 and 105 miles respectively. A daily ferry service to Northern Ireland operates with Stena Link from Cairnryan 46 miles to the west, close to Stranraer.

### DESCRIPTION

Strachan forms part of a small steading conversion development about one mile south of New Galloway. The property was initially converted about 20 years ago from a dairy to a cottage and since substantially extended in 2011 to provide extensive, spacious accommodation finished to a high standard throughout. The internal finish including doors, skirtings, living room/sunroom flooring and architraves principally of solid oak. A large wood burning stove in the living room and oil fired Rayburn cooker in the Kitchen keep the house cosy in addition to the oil fired central heating. Externally the property offers an abundance of outbuildings, with Double Garage and workshop, adjoining timber frame car port with store and dog kennel. A short walk from the property Strachan boasts excellent equestrian facilities and approximately 5 acres of land split into 5 paddocks with additional vegetable plot with poly tunnel and orchard. Stables of professional construction include Manège with drainage, 4 full size horse stables, 1 pony stable, hay store, log store, workshop, stores and secure tack room.

Strachan provides a rare opportunity to acquire an attractive family home with the addition of equestrian facilities and land, either for personal use or providing an income source through livery.
